Burr Ridge Community Park Foundation to Hold “Pedal in the Parks” Bicycle Ride Event in Fall 2012

On Thursday, September 8, Police Chief John Madden and I met with representatives of the Burr Ridge Community Park Foundation to discuss their proposed plans to hold a fundraising event that would entail a bike ride through the Village, connecting the various parks in the Burr Ridge Park District system. The event would be held on a Sunday morning, sometime in the fall of 2012. We discussed our main concern, which is the safety of the bicyclists, as well as the potential for obstructing traffic. However, we believe that we can work out a bike route that will address these concerns and we look forward to working with the Community Park Foundation to develop what I believe will be an exciting community event for Burr Ridge.

Governor Vetoes Senate Bill 1652 – Smart Grid Legislation

The week Governor Quinn vetoed Senate Bill 1652, which would have provided funding of over \$2.5 billion dollars for electric infrastructure improvements, including the development of a Smart Grid system. A news release from Commonwealth Edison in regard to this matter is available for review at the Village Hall.

It is expected that new legislation will be forthcoming in regard to this matter, if not in the veto session, then next spring.
